

THE WARNER BROS. ENTERTAINMENT GROUP IS ONE OF THE WORLD'S LARGEST DISTRIBUTORS OF FEATURE FILMS, VIDEOS/DVDs, TELEVISION PROGRAMMES AND LICENSED MERCHANDISE.

Vice President • Commercial/Corporate • EMEA Region

It is an exciting time for the Warner Bros. European Legal & Business Affairs Department. We are looking to recruit a Vice President to manage the Commercial/Corporate Law Team based in London. This broad role includes multi-jurisdictional responsibility for the company's Theatrical and Non-Theatrical distribution businesses, the Wireless distribution group, group corporate reorganisations and many other business support divisions. The role includes management of a small team of lawyers and support staff.

As the successful candidate, you will be a UK qualified lawyer with between 10-12 years PQE at least partly gained in a large corporation, preferably in the media sector. The role would suit someone with strong contract drafting skills, prior experience of intellectual property distribution and a working knowledge of competition law issues. Some UK company/corporate experience would also be an advantage.

Due to the cross-jurisdictional nature of the role, candidates who have worked previously in different European markets and who speak at least one European language other than English would be extremely desirable. Prior management experience is required. Candidates outside of the stated PQE range who possess the core competencies listed above are also encouraged to apply. The position offers a fantastic opportunity to enter a leading international media organisation in a strategic and highly visible role.
